HOME ASSISTANCE

In the event of a home emergency as a result of breakage of fixtures and fittings, we will arrange for an appropriate repairer (electrician, plumber, locksmith, glazier and tree feller) to address the problem at the member's home address (call-out fee and one hour labour is covered, thereafter normal rates apply). Assistance is available for appliances and non-emergencies, but for the member's account.

A home emergency is defined as an event that is potentially life threatening or could possibly cause structural damage to a property.

Overall limit of three incidents per annum applies, up to a limit of R2 000.

In the unlikely event of Telkom lines being down, please contact 071 882 9205 for assistance in a home emergency.
