# Spa of the Year!

Mangwanani Private African Day Spa has been voted

## Spa of the Year 2009

We would like to take this opportunity to thank you for your continued support & loyalty.

You have made it possible for us to fulfill our Dream of Responsible Tourism and Empowerment through Social Responsibility.

Thanks to your continued support over the past 7 years, Mangwanani has created and sustained 800 jobs of previously disadvantaged, abused and unemployed women and has, through these women, developed skills, literacy and provided medical assistance and counseling and increased education and awareness on HIV/Aids, Breast Cancer, Child & Woman Abuse and more.

We have also been able to support many charities and initiatives through sponsorships of packages and products and donating of gowns, towels and slippers and have been able to contribute towards many vital aid projects. We have also been able to encourage and effect transformation in some of our major suppliers and partners.

We have had the opportunity of "Touching" and "Entertaining" thousands of guests and been able to indulge them in our True African Healing Experience.

Our Healing Touch Programme has also allowed us to touch the lives of individuals who do not have the means to treat themselves or have been through traumatic & disturbing ordeals. Our therapists have a natural nurturing ability and through their healing touch, they endeavor to ease the pain and suffering in a safe & caring environment. It is a great privilege for us to contribute to such vital & essential experiences and causes. Mangwanani looks forward to a Joyful & Blessed 2010 where we all welcome visitors to our Magnificent Land.

Thank you for your immense contribution!
